<b>Flux lumineux en lm</b>	380
<b>La température de couleur en Kelvin</b>	Dim to warm
<b>remplacement des ampoules :</b>	sur le site meme
<b>Support mural</b>	
<b>Dimensions</b>	15 cm

### Description

The Ingo Maurer Lucellino NT LED can be used as a wall or ceiling lamp. It is delivered with a surface mounting box and a 15 cm diameter white cover. The power cable is sheathed in red. The lamp arm of the light can be bent at will. Handcrafted wings made of goose feathers are attached to the bulb socket. These wings represent the hallmark of the well-known Lucellino light series. The name of the lamp consists of a play of words: "Luce" means in Italian "light", "uccellino" as much as "birdie". The included light source is an LED with 5 watt. This light can be dimmed on site. In the wall or ceiling mounting, a transformer is integrated.
