<b>Dimensions</b>	H 39 cm   L 63 cm

### Description

The Oluce Alba 468 pendant lamp has two lamp shades that are mounted at different heights on two lamp arms. Both shades are made of mouth-blown and polished opal glass. The lamp arms are offered in satin brass or bronze anodised versions. The light is emitted from the lamp into the room without glare. The maximum cable length is 280 cm. If required, the cables can be shortened. The canopy has a diameter of 15.9 cm and a height of 4.2 cm. The pendant lamp can be dimmed on site. Two E27 mains voltage halogen lamps or suitable LED retrofit lamps are suitable as illuminants.
