Oluce

Berlin 720

Technical details

Pays de fabrication	🇮🇹 Italie
fabricant	Oluce
concepteur	Christophe Pillet
année	2017
protection	IP20
Contenu de la livraison	LED 230 Volt
aptitude de tension	110 - 240 Volt
Profondeur en cm	10
Diamètre en cm	30
matériel	laiton, verre
atténuation	dimmerable sur place
base/version	E14
LED	y compris
remplacement des ampoules :	sur le site meme
Les performances du système	2 x 10 Watt (max.)
Dimensions	Ø 30 cm

Description

The Oluce Berlin 720 is a wall lamp that can also be used as a ceiling lamp. The lamp shade is made of anodized brass. The diameter of the light is 30 cm, which makes it the smallest of the wall and ceiling lights from this series. The diffuser is made of sandblasted wire glass, which is produced by continuous rolling or casting. The lamp emits direct light and general room light. The lamp is operated with two E14 LED retrofit bulbs.
