Tilt Wall Short

Oberfläche

- noir
- gris
- blanc

Technical details

Pays de fabrication	 Allemagne
fabricant	Nyta
concepteur	jjoo design
année	2017
protection	IP20
Contenu de la livraison	Leuchtmittel/Bulb
aptitude de tension	110 - 240 Volt
Profondeur en cm	20
matériel	aluminium
base/version	E14
Transférabilité	sur le support mural
Puissance (max. Watt)	46 Watt
répartition de la lumière	directement
Support mural Dimensions	9 cm
Dimensions	H 18 cm

Description

The Nyta Tilt Wall Short is a wall lamp with a lamp shade made of matt lacquered aluminum. The shade can be completely rotated once around its own axis, so that the lamp can be readjusted again and again. The wall lamp is available with a shade in white, black and grey. The wall bracket is always in the matching surface to the shade. The wall light is installed directly on the power outlet, on request it is also supplied with cable and plug. The cable colours white, black, grey, red, light blue and light green are optionally offered. The on/off switch is integrated on the wall bracket. LED retrofit or halogen lamps can be used as light sources.
