

Stilnovo

Diphy P3

Technical details

Pays de fabrication	 Italie
fabricant	Stilnovo
concepteur	Mirco Crosatto
année	2017
protection	IP20
Contenu de la livraison	LED
aptitude de tension	230 - 240 Volt
matériel	aluminium, Fer, polyméthacrylate de méthyle
réglage de la hauteur	hauteur déterminée
atténuation	dimnable DALI
LED	y compris
Indice de rendu des couleurs	90
La température de couleur en Kelvin	3.000 blanc chaud
Les performances du système	3 x 14 Watt
Flux lumineux total en LM	5.730
répartition de la lumière	directement et indirectement
hauteur totale	200 cm
Dimensions	B 68 cm L 84 cm

Description

The Stilnovo Diphy P3 is a pendant lamp with three diffusers. The three diffusers hang from a round canopy. Through small openings in the canopy, the cables of each lamp can be individually adjusted in their position in order to change the arrangement of the diffusers. Each diffuser is illuminated by an LED in a light rod, emitting the light both upwards and downwards. When the light is switched off, the diffusers appear transparent. When the light is switched on, a dot pattern engraved by laser is visible on the diffusers. For this effect the OptiLight technology was used in the production of the diffusers. The dot pattern is based on the petals of the Asian flower *Diphylleya Grayi*, after which the lamp series was named. The pendant lamp can be dimmed on site and set in height if required. With an optionally available Casambi module, the light can be dimmed via smartphone.
