Funiculi A

Oberfläche

- noir
- blanc - crème
- jaune
- gris
- vert
- terracotta

Technical details

Pays de fabrication	 Espagne
fabricant	Marset
concepteur	Lluis Porqueras
année	2013
protection	IP20
Contenu de la livraison	LED 230V
aptitude de tension	110 - 240 Volt
Projection en cm	30
matériel	aluminium, Fer
couleur de câble	noir
longueur de câble	200 cm
atténuation	dimmerable sur place
base/version	E14
Transférabilité	sur la conduite
Puissance en Watt	5 W
LED	y compris
Diamètre de l'ombre	16 cm
Hauteur de Abat	7 cm
remplacement des ampoules :	sur le site meme
Dimensions	H 49 cm

Description

The Marset Funiculi A is a wall lamp that follows the style and characteristics of the Funiculi floor lamp designed by Lluis Porqueras for Marset in 1979. Equipped with the same double clip mechanism as the original, the wall lamp also allows easy height adjustment of the lamp shade. The shade can also be rotated 360 degrees. The lamp is available in black, moss grey, terracotta, green, mustard yellow and cream white. The light rod and the wall bracket are made of lacquered iron, the shade is made of lacquered aluminum. LED retrofit lamps can be used as illuminants. On the cable a toggle switch is integrated. The Funiculi A wall lamp can be connected via a mains plug or via a direct connection.
