

Marset

Dipping Light

Oberfläche

- ambre
- bleu
- vert
- rose
- blanc

Technical details

Pays de fabrication	 Espagne
fabricant	Marset
concepteur	Jordi Canudas
année	2018
protection	IP20
Contenu de la livraison	LED
aptitude de tension	230 - 240 Volt
matériel	laiton, verre
couleur de câble	noir
longueur de câble	200 cm
Transférabilité	sur la conduire
Puissance en Watt	2,2 W
LED	y compris
Indice de rendu des couleurs	90
Flux lumineux en lm	216
La température de couleur en Kelvin	2.700 extra blanc chaud
Diamètre de l'ombre	13 cm
Pied de lampe dimensions	6 cm
Dimensions	H 22 cm

Description

The Marset Dipping Light is a table lamp with a shade made of mouth-blown glass. The shade has several layers of colour that merge barely noticeably in concentric circles. The cylindrical lamp base is made of brushed brass. When switched on, the emitted light is differently coloured by the different layers of colour of the lamp shade. Even when the lamp shade is switched off, the different layers of colour are clearly visible. The table lamp is available in pearl white, blue, green, amber and pink. An LED is integrated as a light source. The Dipping Light has a height of 22.2 cm and a shade diameter of 12.5 cm. It is regulated by an on/off switch on the supply line.
