Description

The Vistosi Baco SP G pendant lamp has a diameter of 16 cm and a height of 40 cm. Its lamp shade is made of mouth-blown Murano glass and has a colour gradient from pure white to transparent. This lamp radiates its light both directly downwards and glare-free into the room. The metal parts of the lamp are satin nickel-plated. The Baco SP G is operated with halogen lamps or LED retrofit lamps. The cable with a maximum length of 200 cm can be shortened if required. With the supplied ceiling hook, the pendant lamp can also be mounted independently of the power outlet.
