### Description

The Vistosi Bot SP 35 pendant lamp is equipped with a lamp shade made of white, mouth-blown crystal glass. The shade has a diameter of 35 cm and a height of 34 cm. The lamp emits the light both directly downwards and into the room. This lamp is available in two versions: as an E27 lamp and as a LED lamp. The E27 lamp is equipped with LED retrofit bulbs. The LED lamp is operated with an integrated LED with a colour temperature of 2,700 Kelvin extra warm white. The cable of the Bot SP 35 can be shortened if required. With the three ceiling hooks supplied, the pendant lamp can also be mounted independently of the power outlet.
