## Description

The Mawa Oval Office 4 wall lamp emits its light simultaneously upwards and downwards. The light is dazzled by satin diffusers made of acryl glass at the top and bottom of the lamp and partially reflected from the wall into the room. This lamp can be mounted horizontally or vertically on the wall. It is 37.5 cm wide and 10 cm high. Its depth is 11.5 cm. The Oval Office 4 is made of aluminum and is available in the powder-coated surfaces white matt, dark bronze and DB702 metallic grey. An LED is integrated as the light source, which can be dimmed on site with a leading or trailing edge phase dimmer. The wall light is offered with a colour temperature of 2,700 Kelvin extra warm white as well as 3,000 Kelvin warm white.
