Description

The Cini & Nils Assolo 70 ceiling lamp has a diameter of 70 cm. Its ring is illuminated from the inside by an integrated LED, so that the inside reflects the light and numerous light and shadow effects are created on the lamp itself and the ceiling. The Assolo 70 ceiling lamp is available in white, black and gold matt finish. An LED with a colour temperature of 2,800 Kelvin warm white is integrated as the light source, which can be dimmed on site with a trailing edge phase dimmer. With an optionally available Casambi module, the light can also be dimmed with the Casambi App via Bluetooth using a smartphone / tablet.
