Description

The Mawa Maggy 1 wall light can be attached to all magnetic surfaces with integrated magnets or to the wall bracket supplied. The wall bracket is included in the scope of delivery and is attached with adhesive tape. The replacement wall bracket, available as an accessory, is available either with adhesive tape or with a drilled hole. The luminaire head of the Mawa Maggy 1 can be rotated through 355° and can be mounted vertically or horizontally on the wall. The Mawa Maggy 1 is available with a white, grey or matt black powder-coated surface. The luminaire can be switched and dimmed using a cord dimmer with memory function. The textile cable, on which the cord dimmer is located, is available in orange, grey, mint and rosé (pink). The textile cable with plug has a length of 180 cm. An LED with a colour temperature of 2,700 Kelvin extra warm white is integrated.
