- blanc

Version

- avec interrupteur/variateur d'intensite
- sans interrupteur

Technical details

Pays de fabrication	 Allemagne
fabricant	Holtkoetter
concepteur	Holtkötter
protection	IP20
Contenu de la livraison	LED
aptitude de tension	110 - 240 Volt
Projection en cm	max. 16
matériel	métal
Puissance en Watt	14 W
LED	y compris
Indice de rendu des couleurs	>90
Flux lumineux en lm	2.000
La température de couleur en Kelvin	2.700 extra blanc chaud
tête de luminaire masse	12 cm
remplacement des ampoules :	sur le site meme
Support mural Dimensions	13 cm

Description

The Holtkötter Plano W is a wall lamp with a swivel and tiltable lamp head. Depending on the adjusted inclination, the light is emitted from the lamp head downwards or onto the wall or wall bracket. From there the light is partially reflected into the room. The Plano W is available in two versions: with switch/push button dimmer or without switch. In the version with switch/pushbutton dimmer, this is integrated on the wall bracket. The LED has a colour temperature of 2,700 Kelvin extra warm white and can be replaced if necessary. The Plano W wall light is available in white, black, matt aluminum, platinum and anodised brass.
