<b>couleur de câble</b>	transparent
<b>réglage de la hauteur</b>	hauteur déterminée
<b>atténuation</b>	dimmerable sur place
<b>base/version</b>	GU10
<b>Puissance en Watt</b>	8 W
<b>canopée Dimensions</b>	7 cm
<b>Diamètre de l'ombre</b>	7 cm
<b>Hauteur de Abat</b>	31 cm
<b>remplacement des ampoules :</b>	sur le site meme
<b>hauteur totale</b>	200 cm

## Description

The lampshade of the Hardy pendant lamp by the Spanish manufacturer Bover has two concentric cylinders, an outer and an inner one. The inner cylinder contains the exchangeable GU10 LED light source and is made of metal. The outer cylinder of Bover Hardy is made of transparent borosilicate glass. This pendant lamp emits its light directly downwards. The metal cylinders of this lamp are available with a painted surface in gold or white or with a chrome alloy. The canopy with a diameter of 7 cm is in the same surface as the inner cylinder. The Bover Hardy pendant lamp has a transparent cable which can be shortened if necessary. Suspended in combination to several lights, the Bover Hardy pendant light can create a practical lighting in the living-dining area or in the gastronomy.
