

Bover Hardy

Oberfläche

- chrome
- or
- blanc

Technical details

Pays de fabrication	 Espagne
fabricant	Bover
concepteur	Oscar & Sergi Devesa
année	2013
protection	IP20
Contenu de la livraison	Leuchtmittel/ Bulb
aptitude de tension	110 - 240 Volt
matériel	Fer, laiton, verre borosilicate
couleur de câble	transparent
réglage de la hauteur	hauteur déterminée
atténuation	dimmerable sur place
base/version	GU10
Puissance en Watt	8 W
canopée Dimensions	7 cm
Diamètre de l'ombre	7 cm
Hauteur de Abat	31 cm
remplacement des ampoules :	sur le site meme
hauteur totale	200 cm

Description

The lampshade of the Hardy pendant lamp by the Spanish manufacturer Bover has two concentric cylinders, an outer and an inner one. The inner cylinder contains the exchangeable GU10 LED light source and is made of metal. The outer cylinder of Bover Hardy is made of transparent borosilicate glass. This pendant lamp emits its light directly downwards. The metal cylinders of this lamp are available with a painted surface in gold or white or with a chrome alloy. The canopy with a diameter of 7 cm is in the same surface as the inner cylinder. The Bover Hardy pendant lamp has a transparent cable which can be shortened if necessary. Suspended in combination to several lights, the Bover Hardy pendant light can create a practical lighting in the living-dining area or in the gastronomy.
