<b>Diamètre du diffuseur</b>	17 cm
<b>répartition de la lumière</b>	la lumière de chambre
<b>hauteur totale</b>	75 cm
<b>Dimensions</b>	Ø 15 cm

### Description

The SLV Ovalisk 75 outdoor free-standing lamp can be fixed to the floor using three existing holes in the lower flange of the lamp. The lamp is also available with a concrete anchor for mounting on uncured concrete bases or mobile with a galvanised stainless steel ground spike for unpaved beds and green areas. This matt anthracite aluminium LED lamp has a diameter of 14.8 cm and is available in a height of 75 cm. If required, the colour temperature of the lamp can be changed from 3000 Kelvin warm white to 4000 Kelvin white using a switch (CCT Switch) integrated in the lamp. The glass diffuser has a diameter of 17 cm. With its IP65 protection rating, SLV's Ovalisk 75 is ideal as an outdoor lamp because it is dust-tight and protected against water jets from any angle. An IP68 junction box, required to connect the lamp, is also available as an accessory.
