Description

The Bomma Phenomena Pendant Cone is a cone-shaped pendant lamp. It has a height of 63 cm and a diameter of 53.5 cm at the bottom. This lamp is made of mouth-blown, smoke grey crystal glass. The handcrafted process mixes clear crystal glass with coloured glass which prevents the glass colour from fading. As each glass is mouth-blown individually, the colour gradient and intensity may vary.

The Phenomena pendant lamp is offered with a mounting in silver or gold polished. The canopy has the matching colour to the mounting in each case. The cable with a maximum length of 250 cm can be shortened if necessary, on request, the lamp is also available with other cable lengths. An LED retrofit bulb is used as the light source for the E27 socket.
