### Description

This Bomma Soap Mini chandelier multicolour consists of nine Soap Mini pendant lamps on one round canopy. In this chandelier, the lamps have different glass colours, of which two versions are offered here. On request, any combination of the glass colours gold, silver, blue, matt and clear can be put together with up to 26 lamps.

The lamps are suspended from a white coated canopy. The canopy is 6.2 cm high and has a diameter of 62 cm. Each glass is individually made of crystal glass and is therefore unique. As each glass is mouth-blown without a mould, the shape, size and colour intensity can vary. During production, the glasses are coated with metal, which makes them glitter and shimmer, especially when switched on. The suspension is in anthracite, on request it is also available in brushed gold. The cables with a maximum length of 250 cm can be shortened if necessary. The nine lamps are each operated with a replaceable G4 LED retrofit.

These versions are available:

- Version 1: 4 x clear, 5 x frosted
- Version 2: 3 x blue, 3 x silver, 3 x gold
