Description

This Bomma Dark & Bright Star chandelier consists of three Large and three Small pendant lamps on a round canopy. Two of the Large and one Small lamp are in white, the others in cigar brown. On request, any combination of the glass colours cigar brown and white can also be put together. The white coated canopy has a diameter of 40 cm and a height of 6.2 cm. For the white lamps, the suspension is in anthracite, for the cigar brown lamps in brass brushed.

Each glass is made individually from mouth-blown crystal glass. With traditional glass blowing, small bubbles or irregularities in the glass may occur. The white glasses are made of clear glass and are opaque sand-cut. The cigar brown glasses are completely coloured. As each glass is individually hand-finished, colour intensity and tone may vary. Each lamp is operated with a replaceable G4 LED retrofit.

The cables of the pendant lamps have a maximum length of 250 cm and can be shortened if necessary. Dark & Bright Star chandeliers with up to 26 lamps with the offered glass colours and suspensions are also available from Bomma on request.
