Description

This Bomma Lantern chandelier consists of three Lantern pendant lamps on a round canopy. The lamps are available with the glass colours clear and smoked grey. The white coated canopy has a diameter of 40 cm and a height of 6.2 cm. The suspension is always in brass patina gold, on request the lamps are also offered with a suspension in black.

Each glass is mouth-blown in individual production and is therefore unique, so that colour tone and intensity can vary. For the production of the white and the smoke grey glasses, crystal glass is mixed with coloured glass to make the glass colour particularly durable. Each lamp is operated with a replaceable E27 LED retrofit. The cables of the pendant lamps are a maximum of 250 cm long and can be shortened if necessary. On request, Bomma also offers Lantern chandeliers with up to 11 lamps with the available glass colours and suspensions.
