

LDM

Drop Move Uno Surface-mounted

Oberfläche

- Matt aluminium
- aluminium poli
- noir
- bronze
- blanc

Dimmbarkeit

- dimmable DALI
- dimmerable sur place avec commande gradateur de phase inverse
- avec module Casambi

Technical details

Pays de fabrication	 Allemagne
fabricant	LDM
concepteur	Jürgen Glauner
protection	IP20
Contenu de la livraison	LED
aptitude de tension	230 - 240 Volt
Diamètre en cm	7
matériel	aluminium
couleur de câble	transparent
longueur de câble	50 - 200 cm
réglage de la hauteur	réglable en hauteur
Puissance en Watt	8,75 W
LED	y compris
Indice de rendu des couleurs	>95
Flux lumineux en lm	781
La température de couleur en Kelvin	Dim to warm
canopée Dimensions	9 cm
remplacement des ampoules :	chez le fabricant / a l'usine
Dimensions	H 19 cm Ø 7 cm

Description

The LDM Drop Move Uno Surface-mounted is a pendant lamp that can be adjusted in height by simply pulling on the lamp shade. In this way, the lamp can be continuously adjusted in its cable length between 50 cm and 200 cm at any time. Its light is focused by a frosted optical lens and emitted homogeneously and glare-free directly downwards. The lamp is available in the surfaces aluminum polished, aluminum matt, bronze, white matt and black matt. All elements of the lamp are always in the same finish as the lamp itself. On request, lamps are also available in all finishes with a upper topping with finish in aluminum polished, aluminum matt, bronze, white matt and black matt.

The cable length of the Drop Move Uno Surface-mounted is a maximum of 200 cm; special cable lengths of at least 50 cm are also available on request. This pendant lamp is offered in three versions: dimmable on site with a trailing edge phase dimmer, DALI dimmable or with integrated Casambi module. The DALI version requires a 5-core mains cable. With a Casambi module, the lamp can be operated by smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching and dimming several suitable lamps separately in groups.

When dimming the LDM Drop Uno Surface-mounted, the light colour of the integrated LED changes to a warmer tone (from 3,000 Kelvin warm white to 1,800 Kelvin extra warm white) due to the used Dim-to-warm technology. From the Drop series, LDM also offers multiple pendant lamps with two, three or four lamps (on request) and the Drop with a shortenable, height-determinable cable.
