<b>Diamètre en cm</b>	14
<b>matériel</b>	bois, Lunopal
<b>surface</b>	blanc
<b>atténuation</b>	dimmerable sur place
<b>base/version</b>	E27
<b>Puissance (max. Watt)</b>	50 Watt
<b>Dimensions</b>	H 15 cm   Ø 14 cm

### Description

The Domus Drum ceiling lamp scores with its simple Scandinavian design that never goes out of fashion. The lamp body made of beech wood is surrounded by a white lampshade made of Lunopal. Lunopal is a high-quality shade material that was developed by Domus. This material is thermally highly resilient and can withstand temperatures of up to 100°C. Lunopal is white transparent and gives the impression of fine Japanese paper. The completely environmentally friendly material is UV-resistant and does not yellow. The Domus Drum ceiling light has a diameter of 14 cm and is 15 cm high. The Drum ceiling light has an E27 socket and can be operated with conventional halogen bulbs as well as with LED retrofit bulbs.
