réglage de la hauteur	hauteur déterminée
atténuation	dimmerable sur place avec commande gradateur de phase inverse
Puissance en Watt	25 W
LED	y compris
Indice de rendu des couleurs	>92
Flux lumineux en lm	3.100
La température de couleur en Kelvin	2.700 extra blanc chaud
canopée Dimensions	17 cm
Diamètre de l'ombre	55 cm
Hauteur de Abat	13 cm

Description

With a diameter of 55 cm and a shade height of 13 cm, the Domus LARAwood Pendant Lamp L is also an eye-catcher above a larger dining table and provides illuminating moments. The view into the inside of the lamp is particularly beautiful, where the low diffuser shows off the wood grain of the lamp to its best advantage. The supply line of the Domus LARAwood consists of a silver-grey textile cable. This dimmable pendant lamp is equipped with an LED with an output of 25 watts and a luminous flux of 3100 lumens. The light of the integrated LED is characterised by a very good colour rendering with a high colour rendering index of Ra > 92. The cable length of this LED lamp is 200 cm. The height-adjustable LED pendant lamp is available in walnut, black oak and white oak finishes.
