

Lichtlauf

Normajeane

Oberfläche

- noir / or
- noir / cuivre
- noir / argent
- blanc / or
- blanc / cuivre
- blanc / argent

Version

- gradable avec variateur a coupure de phase
- pas réglable

Technical details

Pays de fabrication	 Allemagne
fabricant	Lichtlauf
année	2015
protection	IP20
Contenu de la livraison	LED
aptitude de tension	230 - 240 Volt
matériel	acier, aluminium
couleur de câble	transparent
longueur de câble	200 cm
réglage de la hauteur	réglable en hauteur
Puissance en Watt	12 W
LED	y compris
Indice de rendu des couleurs	90
La température de couleur en Kelvin	3.000 blanc chaud
remplacement des ampoules :	chez le fabricant / a l'usine
Dimensions	H 12 cm B 40 cm L 40 cm

Description

Like a dress in the updraft above an underground shaft, the Normajeane by Lichtlauf floats above the table and sends powerful, soft light downwards. Copper, silver or gold, the colour contrast between the top and bottom creates the tension. Each lamp, individually shaped by hand, is unique. The aluminium lampshade is available in black or white on the upper side. The underside of the lampshade is optionally available hand-applied with gold, silver or copper leaf metal. The integrated LED with an output of 12 watts has a colour temperature of 3,000 Kelvin warm white. The light of the integrated LED is characterised by a very good colour rendering with a high colour rendering index of Ra 90. The lampshade of the Normajeane is 40 cm wide, 40 cm long and 12 cm high. Due to the handcrafted manufacturing process, there may be irregularities in the leaf-finished surface. This pendant lamp has a 200 cm long transparent cable, which can be shortened if necessary. The height adjustment is made directly on the wire cable. The Normajeane by Lichtlauf is available as a dimmable or non-dimmable version. On request, this lamp is also available with other pendant lengths and finishes.
