Technical details

Pays de fabrication	 Espagne
fabricant	Arturo Alvarez
concepteur	Arturo Alvarez
année	2021
protection	IP64
Contenu de la livraison	Leuchtmittel/Bulb
aptitude de tension	230 - 240 Volt
Diamètre en cm	19
matériel	acier, acier Inoxydable
couleur de câble	noir
réglage de la hauteur	hauteur déterminée
atténuation	dimmerable sur place
base/version	E27
Puissance (max. Watt)	15 Watt
canopée Dimensions	12 cm
hauteur totale	150 cm
Dimensions	H 45 cm Ø 19 cm

Description

The Arturo Alvarez Gea GE04-EXT has a protection rating of IP64 and is therefore suitable as an outdoor lamp. With this protection class, it is dustproof and protected against splashing water from all sides. Its lamp shade is 45 cm high and has a diameter of 19 cm. It consists of a lacquered stainless steel metal mesh and is available in white and grey. On request, the lamp is also available in taupe and beige. This stainless steel metal mesh is a translucent and flexible mesh made of metal, which is shaped into the desired form and structure during production. The black, waterproof neoprene cable of this pendant light can be shortened if necessary. The lamp can be operated with an E27 LED retrofit.

The Gea collection takes its name from the primordial goddess, Mother Earth. The stylised lights that make it up resemble upright female figures that defy verticality and are wrapped in a ribbed veil of lacquered stainless steel mesh. The Gea pendant lamp designed by Arturo Alvarez emits a soft, enveloping light that is homogeneously distributed over the entire structure.
