Description

The B.Lux Aspen S17A can be individually set in its height during installation. The pendant lamp comes with a cable length of 200 cm. Its lamp shade is 34 cm high and has a diameter of 17 cm. The Aspen S17A is offered with a lamp shade in the surfaces blue and turquoise. The upper part of the turquoise lamp shade is snow white. The upper part of the blue lamp shade is aqua blue, the lower part river blue.

The Aspen S17A is offered in the versions E27 and LED. The E27 version has an E27 socket that can be operated with replaceable LEDs (retrofit). The LED version has a powerful, integrated LED with an output of 16.6 watts and a colour temperature of 2,700 Kelvin extra warm white. Other colour combinations for the lamp shade are available on request (see configurator PDFs).
