Nebra NB04

Schirmfarbe

- beige
- taupe

Technical details

Pays de fabrication	 Espagne
fabricant	Arturo_Alvarez
concepteur	cenlitrosmetrocadrado
année	2023
protection	IP20
Contenu de la livraison	LED
aptitude de tension	230 - 240 Volt
matériel	acier, acier Inoxydable
couleur de câble	noir
réglage de la hauteur	hauteur déterminée
atténuation	pas baissable
Puissance en Watt	20 W
LED	y compris
Flux lumineux en lm	2.173
La température de couleur en Kelvin	2.700 extra blanc chaud
canopée Dimensions	Longueur 30 cm, largeur 5 cm
hauteur totale	150 cm

Description

The Arturo Alvarez Nebra NB04 pendant lamp has an elongated lamp shade. The lamp shade is made of a lacquered, particularly resistant stainless steel metal mesh. This stainless steel metal mesh is a translucent and flexible mesh made of metal, which is formed into the desired shape and structure. The pendant lamp is available in the shade colours taupe and beige.

The Nebra NB04 combines two types of light: direct downward light and decorative room light. The light emitted via the surface gives Nebra a weightless appearance. The lamp shade of the Nebra NB04 is 100 cm long and 3 cm wide. The shade height is 30 cm. When mounted, the pendant lamp can be individually set in total height. The lamp is operated with an integrated, particularly powerful LED that has a colour temperature of 2,700 Kelvin extra warm white.
