<b>remplacement des ampoules :</b>	sur le site meme

### Description

The shade of the Ginger S pendant lamp by Prandina is made of white polyethylene and provides pleasantly glare-free light. The light is emitted from the pendant lamp upwards and downwards as well as laterally through the white lampshade. The lamp shade is available with a diameter of 36 cm and 42 cm. During assembly, the pendant lamp can be individually set in the total height. The Prandina Ginger S has two E27 sockets that are suitable for replaceable LEDs (retrofit).
