Omschrijving

The Foscarini Outdoor Gregg Media is a floor light suitable for outdoor usage. Depending on the connection option, the floor lamp has a protection class of IP44 (with plug connected) or IP65 (with clamp). With protection class IP44, it is protected against solid foreign bodies with a diameter of at least 1 mm and against splash water on all sides. With IP65, the lamp is dust-tight and protected against water jets from any angle. The Outdoor Gregg Media is the smallest of the three lights. Especially in combination with the other sizes a highlight for the garden can be created with these Foscarini lamps.
