## Omschrijving

The Foscarini Mite floor lamp is a unique light and a masterpiece of Italian design. It provides an attenuated and non-glare light, which is infinitely adjustable by means of a cord dimmer. The lamp is also offered as an LED version. The Mite is available in two surfaces. The black lamp is in fiberglass fabric with black carbon fiber, the yellow one consists of Kevlar®. The metal parts of Foscarini Mite are in nickel-plated metal. This lamp is an ideal complement to any private or public space wherever you want to have an excellent light source with an elegant and simple design.
