Omschrijving

The Foscarini Folio Grande Parete white is a stylish wall lamp providing for a fine evenly and diffuse light distribution. The glass of the Folio Grande Parete white is in white. There is a version with screen-printed glass and a small version of the Foscarini Folio Grande Parete named Folio Piccola Parete. The glass of the folio wall lamp has a wonderful slightly curved shape. It looks like a piece of paper that is bent in itself. The socket with the bulb is surrounded by a small closed housing so you can not look into the light source and hence can not be blinded. Therefore the Folio is well suited as lighting in narrow hallways or stairways.
