Omschrijving

The Drop 1 designed by Next is an aesthetic drop-shaped ceiling lamp made of white polyethylene. With a height of 100 cm, it is the larger of the two Drop ceiling lights. Its design forms an extraordinary symbiosis of light and water. With its luminous drops of different shapes the Liquid Light series sets individual accents. The Drop 1 provides a pleasant warm light to every room. It melts into the room like a tough liquid from out of the ceiling. There are on offer different versions of pendant lamps, floor lamps, table lamps and wall lamps out of the Liquid Light series.
