Omschrijving

The Foscarini Spokes 1 is an elongated pendant lamp made of painted steel and aluminum. This lamp was designed by the Studio García Cumini in 2015. The lamp shade is made of thin, metal spokes that are attached vertically. These spokes are made of steel round tubes, which are matt lacquered with epoxy.

The Spokes 1 includes two powerful LEDs with a total of 30 watts. The transparent electrical supply is not visible from the outside, as it runs along a spoke in the lamp shade. This pendant lamp is available in these surfaces: white, copper, gold, black and graphite. Additionally, two different versions are offered: a non-dimmable version and a DALI dimmable version. The cable length is 340 cm and can be shortened if necessary. On request, also a longer cable is on offer. The pendant lamp is also available as MyLight lamp, which can be dimmed with the Casambi App via Bluetooth using a smartphone or tablet.
