

Byok

Nastrino Pico wall lamp

Farbe

- aluminium
- zwart

Technical details

Land van fabricage	 Duitsland
fabrikant	Byok
ontwerper	Kai Byok
bescherming	IP20
Omvang van de levering	LED
Projectie in cm	35
materiaal	aluminium
dimmen	gebarencontrole
LED	vervangen door professionele
Kleurweergave-index	90
Kleurtemperatuur in Kelvin	Dim to warm
prestaties van het systeem	2 x 3,6 Watt
Totale lichtstroom in lm	610
lichtverdeling	direct
Dimensions	H 30 cm

Omschrijving

The Byok Nastrino Pico wall lamp is a lamp characterised by its functionality. The light has two LED zones in the upper arm. Thanks to the joint, the wall light can always be adjusted anew and the light can be aligned as desired. The design is very slim, because this lamp consists of simple ground aluminium profiles. These different surfaces are on offer: aluminum matt and black matt. Byok offers this lamp also with a table clamp, an USM adapter and a classic table base. The Pico wall lamp is the smaller one of two lamps out of this series.

The Nastrino Pico wall lamp is dimmed with gesture control. During dimming thanks to the Dim2Warm technology, the light takes on a warmer colour, changing the light colour of the LEDs from 2,700 Kelvin extra warm white to 2,100 Kelvin warm white.
