Technical details

Land van fabricage	 Duitsland
fabrikant	Serien Lighting
ontwerper	Floyd Paxton
jaar	2001
bescherming	IP20
Omvang van de levering	Leuchtmittel/ Bulb
voltage geschiktheid	110 - 240 Volt
materiaal	roestvrij staal
hoogteverstelling	hoogte bepaalbaar
dimmen	dimbaar op locatie
base/versie	E14

Omschrijving

The Serien Lighting Zoom XL has a brushed stainless steel finish. It is offered with one, two or three adjustable elements. The elements can be pushed together or pulled apart individually. Therefore, the diameter and the total height of the lamp change thanks to a scissor grid principle. In order to adjust the maximum diameter, the minimum suspension should be 180 cm. As accessories, Zoom crystals are available as a set of 20, which can be hooked into the lower element.
