| Dimensions                 | Ø 20 - 130 cm   |

### Omschrijving

The Serien Lighting Zoom is a modern chandelier with a surface in brushed stainless steel. The elements arranged on top of each other run like a scissor grid that can be pushed apart or together again at any time.

**The displayed picture shows the product with 3 instead of 2 elements.**

The illuminants of the Zoom are placed inside so that their light is emitted indirectly and without glare.
