### Omschrijving

The Oluce Alba 382 floor lamp emits glare-free room light. It has a shade made of mouth-blown, polished opal glass, which is attached to a lamp arm at the bottom. The lamp is available in satin brass or bronze anodised versions. The lamp rod and arm have the same surface in each case. The anthracite-coloured lamp base has a length and a width of 28.5 cm each. The floor lamp can be regulated with a dimmer on the supply line. An E27 halogen lamp or an LED retrofit lamp can be used as a light source.
