Omschrijving

The Arturo Alvarez Ballet BA06 wall light is available in several finishes. The bracket of this wall lamp is made of painted steel. The lamp shade is made of a flexible stainless steel mesh. This stainless steel mesh has been specially developed by the Arturo Alvarez brand and is particularly malleable, compact and resistant. This wall light is available in two versions: as E27 version or as version with built-in LED. The E27 version has an E27 socket and is operated with a replaceable LED retrofit. The LED version has a colour temperature of 2,700 Kelvin extra warm white, on request it is also available with 3000 Kelvin warm white. This lamp is offered in white and grey finishes. On request, the lamp is also available in taupe and beige.
