Omschrijving

The Catellani & Smith Jackie O Chandelier 15/20/24 chandelier is available with 15, 20 or 24 pendant lamps. The pendant lights are suspended from a square or a rectangular canopy. The square canopy measures 60 x 60 cm, regardless of the number of lamps. The rectangular canopy has also always the same size with the dimensions 150 cm x 30 cm. Each lamp has a nickel-plated copper body and a glass lens. The light is emitted glare-free and bundled by the glass lens. The glass lenses are interchangeable. One LED with 1 watt each and a colour temperature of 2,700 Kelvin extra warm white is included per lamp. The lamp bodies have different heights up to a maximum of 120 cm. The pendant lamp can be dimmed on site. If you like to order this article, please specify the length / distance between the ceiling and the lower edge of the lamp under the item Order Review in the field Order Comment.
