Omschrijving

The Nyta Tilt S Floor is a floor lamp with a rotating shade. The shade made of matt lacquered aluminum has a diameter of 18 cm and can be rotated 360 degrees around its own axis. The lamp is 128.5 cm high. This floor lamp is available in white, grey, black, all white and all black. The all white and all black versions are both completely white or black. The lamp base of these versions is made of matt coated steel in the matching finish to the lamp. All other versions have a polished stainless steel rod and base. The lamp shade is in the selected finish for all versions. The textile cable of the lamp is always black and has a length of 260 cm. An on/off switch is integrated on the cable. LED Retrofit or halogen lamps are suitable as light sources.
