

Nyta

Tilt Globe Brass

Kabellänge

- 300 cm
- 500 cm

Technical details

Land van fabricage	 Duitsland
fabrikant	Nyta
ontwerper	jjoo design
bescherming	IP20
Omvang van de levering	Leuchtmittel/Bulb
voltage geschiktheid	110 - 240 Volt
Diameter in cm	20
materiaal	messing, textiel
kabel kleur	zwart
hoogteverstelling	hoogte bepaalbaar
dimmen	dimbaar op locatie
base/versie	E27
Vermogen (max. Watt)	70 Watt
luifel Dimensions	12 cm, hoogte 9 cm
lichtverdeling	direct
Dimensions	H 17 cm Ø 20 cm

Omschrijving

The Nyta Tilt Brass pendant light is made of solid brass. Its lamp shade is polished on the outside and brushed on the inside. The contour of the shade is cut out with a 3D laser and the surfaces are polished, brushed and sealed by hand. The elaborate manufacturing process is a mixture of traditional craftsmanship and modern technology. The use of the genuine, warm shining material brass provides an impressive brilliance of the Nyta Brass lamps. Along an elongated opening, the shade can be rotated by 360 degrees and tilted by a maximum of 125 degrees, allowing the lamp to be repositioned again and again. The shade has a diameter of 20 cm and a height of 16.5 cm. The canopy and the textile cable are black. The pendant lamp is offered with a cable that is 300 cm or 500 cm long. The cable can be shortened if necessary. The lamp can be dimmed by the customer and can be operated with LED retrofit light bulbs or halogen lamps with a maximum output of 70 watts.
