### Omschrijving

The Catellani & Smith Giulietta BE T is a mobile table lamp with battery charge. This light is charged via the supplied USB cable. The lamp can be switched by simply touching the underside of the lamp head and can be dimmed in three brightness levels. Depending on the brightness level set, the battery will last for three and a half up to 20 hours. The table lamp is available in black or vintage brass. With both versions, the light rod is made of brass. Light base and light head are each in the selected surface. An LED with a colour temperature of 2,700 Kelvin extra warm white is integrated into the ring-shaped lamp head.
