- gepolijst koper
- nikkel
- zwart
- metallic grijs
- neonoranje
- wit

Technical details

Land van fabricage	 Duitsland
fabrikant	Mawa
ontwerper	Martin Wallroth
bescherming	IP20
voltage geschiktheid	110 - 240 Volt
Diameter in cm	8
materiaal	staal
dimmen	dimbaar op locatie
base/versie	E27
Vermogen (max. Watt)	60 Watt
lamp inclusief	geen
Dimensions	H 6 cm Ø 8 cm

Omschrijving

The Mawa Eintopf can be used as a ceiling or wall lamp. It consists of a cylinder made of high-quality steel with a diameter of 8 cm and a height of 6 cm. Its E27 socket can be operated with different globe halogen lamps or LED retrofit bulbs. Depending on the matt or clear illuminant, the effect of the lamp and the light distribution change fundamentally. The Eintopf ceiling and wall lamp is available in the following surfaces: matt white (RAL 9016), matt black (RAL 9005), DB702 grey-metallic, neon orange glossy (RAL 2005), matt nickel-plated, copper, glossy chrome, brass or brass burnished. The surfaces white, black and grey-metallic are powder-coated. The burnishing is handmade, therefore colour deviations are possible. **The light source is exclusive.**
