Technical details

Land van fabricage	 Duitsland
fabrikant	Betec
ontwerper	Horst Lettenmayer
bescherming	IP20
Omvang van de levering	LED
voltage geschiktheid	110 - 240 Volt
Projectie in cm	25
materiaal	messing
Wattage	34,1 W
LED	inclusief
Kleurweergave-index	>90
Lichtstroom in lm	3.277,1
Kleurtemperatuur in Kelvin	2.700 extra warm wit
Dimensions	H 21,5 cm L 100 cm

Omschrijving

This Betec Angulus is an angular lamp that fits well with many picture frames. It has a lamp head that can be rotated around its own axis. This makes it ideal for illuminating pictures, menus and music stands. A Duo LED is integrated as the light source. A Duo LED consists of two LEDs in one housing and therefore has a particularly high light output. A diffuser cover ensures glare-free, uniform light. The Angulus is offered here with a length of 100 cm and a projection of 25 cm (bracket type 25).

The Betec Angulus 100 cm is available in the surfaces brass glossy, brass matt, chrome, nickel glossy, nickel matt, burnished, black matt, gold glossy and gold matt. With the included mounting set, the lamp can easily be attached directly to a picture or to the wall. As standard, the picture light has a colour temperature of 2,700 Kelvin extra warm white. On request, it is also available with 2,400 Kelvin extra warm white, 3,000 Kelvin warm white or 3,100 Kelvin white. The integrated LED is characterised by very good colour rendering with a high colour rendering index of Ra >90. A touch dimmer is offered as an accessory, with which the lamp can be switched and dimmed by touch. In addition, the lamp is available in three other lengths and with a projection of 15 cm or 20 cm.
