Omschrijving

The Loom Design Frey Single IP65 Corten is a stylish wall light available in various colours. The wall lamp is made of die-cast aluminium and with the eyecatching steel red colour, creates an exclusive and raw look that fits well in many environments.

With IP65 classification and integrated LED light, which is emitted in a 100° beam angle through an elegant crystal glass lens, there is a guarantee of effective lighting outdoors on facades and other outdoor areas. This wall light can, of course, also be used inside.

Frey Single IP65 is available in several beautiful colours, each of which is perfect for modern rooms and environments - and gives the opportunity to create a distinctive touch. It is a wall lighting that combines design, quality, and functionality perfectly.
