

Next Cosmo

Version

- LED 3.000 Kelvin
- LED 4.000 Kelvin

Technical details

Kraj produkcji	 Niemcy
producent	Next
projektant	Constantin Wortmann
ochrona	IP40
zakres dostawy	LED
napięcie przydatność	230 - 240 Volt
Średnica w cm	160
tworzywo	PE
powierzchnia	biały
długość kabla	600 cm
regulacja wysokości	wysokość ustalona
ściemnianie	DALI ściemniania
LED	łącznie
wydajność systemu	6 x 19,6 Watt
Całkowity strumień świetlny w lm	18.000
dystrybucja światła	światło pokoju
Dimensions	H 88 cm Ø 160 cm

Opis

The Next Cosmo is a futuristic pendant lamp in white PE with silver caps. The Cosmo's appearance changes with every new perspective. A circle with six light knots dissolves into the third dimension, emitting its even, glare-reff light over lobbies, foyers, halls and every other architectural space designed with energy-efficiency and extra ordinary forms in mind.

It is also available as the Cosmo Outdoor for swimming pools, gardens, inner courtyards and all objects identical in sky. For both versions, there are two dimmable LED versions available which has different colour temperature.
