### Opis

The Catellani & Smith Sorry Giotto 90 can be described both as a pendant lamp as well as a floor lamp. The light body is created by Enzo Catellani in the form of a 90 cm large copper ring and is hand-painted with blue paint. It is suspended from the ceiling with a variable shortenable cable and clamped to a base made of waxed iron, so it hangs from the ceiling to the floor. As the light source 12 efficient LEDs that are interchangeable are included. Thus the light comes with a colour temperature 2,700 Kelvin extra warm white. With a dimmer the light intensity of the Sorry Giotto 9 can be dimmed. The collection of these pendant/floor lamps is one of the proven Eco Logic Light. These are energy-saving LED lights that are extremely environmentally friendly.
