### Opis

The Ingo Maurer Spock can be used as a ceiling or wall lamp. It has a ball joint, cause of this the lamp is flexibly adjustable. This lamp is made of high quality stainless steel, glass and aluminum. There are possible two mounting options: flush or surface mounting. The flush-mounting needs an existing flush-mounted box. For surface mounting, the surface-mounted box and a cover with a diameter of 8 cm are included. On-site dimming is possible.
