- przezroczysty z sitodrukiem

Technical details

Kraj produkcji

producent	Luceplan
tworzywo	metakrylan
Średnica w cm	140
Moc w watach	5,4 W
Dimensions	Ø 140 cm

Opis

The Luceplan Blow spare rotors are a spare part for the ceiling light Blow. The rotors are available in the following surfaces: transparent, transparent screenprinted, orange and colour mix (blue, green, orange). It contained three rotors in one set. They serve as a spare part for the Blow lamps or as a replacement element to give an existing lamp a new colour accent.
