Opis

The Nyta Tilt Globe Wall with cable has a rotatable and tiltable lamp shade. The shade can be rotated 360 degrees along an opening and tilted a maximum of 125 degrees. This lamp is supplied with cable and plug and has a lamp arm. The diameter of the lamp shade is 20 cm. The lamp shade is made of matt lacquered aluminum and is available in the surfaces white, grey and black. The shade is white on the inside. The wall mounting is in white, black or grey. The lamp can be mounted with its cable independent of the power outlet.

The cable of the Tilt Globe Wall is 300 cm long and is available in the colours white, black, red, grey, light green and light blue. The shade is attached to the wall mounting with a lamp arm made of polished stainless steel. An on/off switch is integrated in the wall bracket. The wall lamp has an E14 socket that can also be operated with replaceable E14 LEDs (retrofits).
